

Ain't nobody hopped like me!

Terrapin's "So Fresh and So Green, Green" is a beer that celebrates the hop! Made with freshly picked, whole leaf, "wet" hops, these off-the-vine beauties will encourage you to drink fresh, drink local, and drink now.

So Fresh & So Green, Green is our yearly experiment in the use of "wet hops". These freshly picked buds were overnighted from the Yakima Valley to be used immediately. Hop forward in the aroma and flavor, this beer doesn't forget about the malt either. Enjoy our fresh hopped beer with fresh local foods for a perfect pairing.

Don't you love it so hoppy?

Pair with things that taste fresh, but boast a backbone. Try a Spanish goat cheese like Monte Enebro or a quinoa pomegranate salad.
